

## Tour Grip Installation Guide

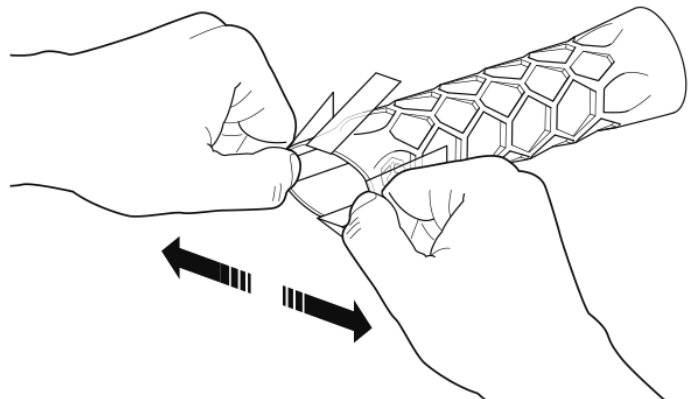

Tour Grip is available for Padel, Pickelball and Beach Tennis. Follow these simple steps to install the grip. You can also find a video tutorial at this address: [https://www.hesacore.com/torugrip\\_tutorial](https://www.hesacore.com/torugrip_tutorial) and, if you have further questions visit our FAQ page (<https://www.hesacore.com/faq>) or contact us ([support@hesacore.com](mailto:support@hesacore.com)).

**1**

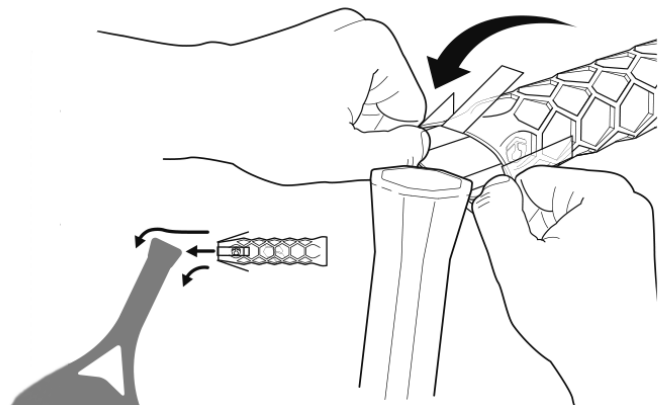

Fold the strips and insert them into the grip

**2**

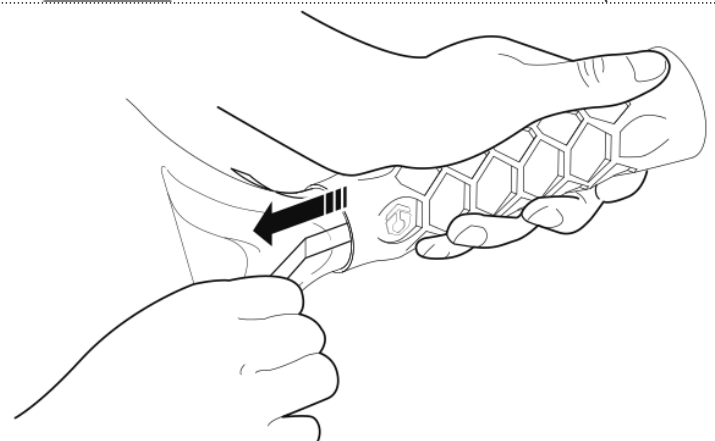

Holding tightly the strips and the grip, pull to enlarge

**3**

Insert the grip, slowly but firmly

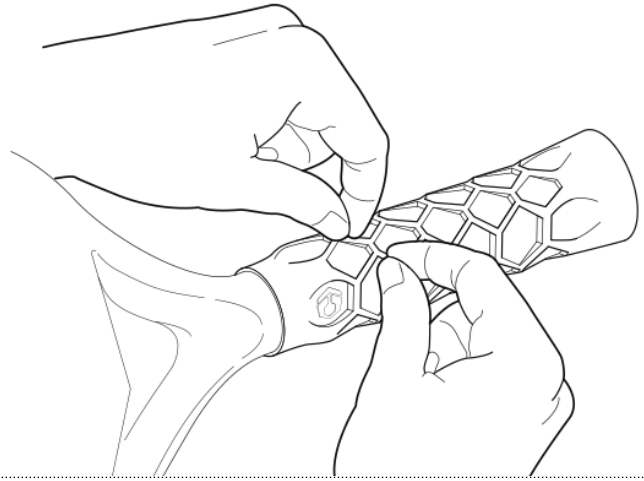

**4**

Remove the strips one by one, holding the grip

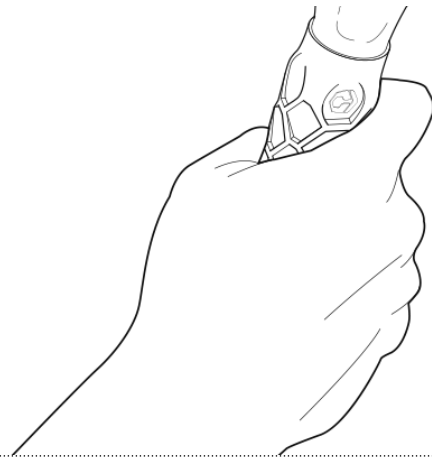

## Tour Grip Installation Guide

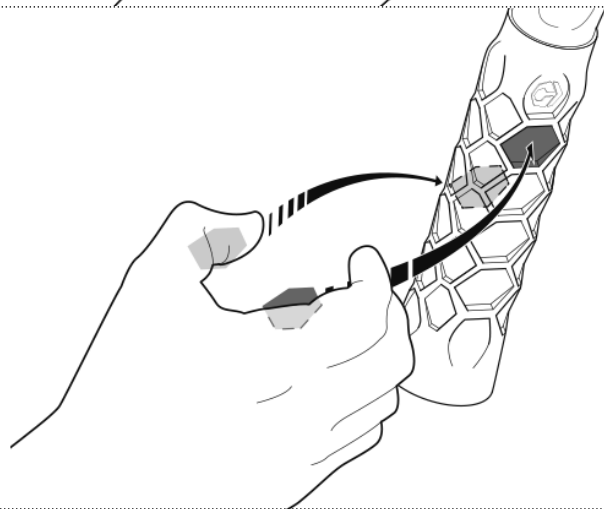

- 5** Adjust and align the edges of the grip

- 6** Grip the handle to verify the comfort and re-adjust

- 7** The bones must sit on the hexa surfaces, as shown

- 8** Wrap and fix your favorite overgrip
